

October 2021

Dear Parents and Carers

The Headteachers of our schools have received several letters from parents and carers regarding the COVID 19 Vaccination Programme.

As a Trust we would be grateful if such letters and any questions, opinions or statements could be sent to the body responsible at Mersey Care NHS Foundation Trust, Sefton Immunisation Team, 1st Floor Switch House, Northern Perimeter Road, Liverpool L30 7PT.

Our schools have no opinion on the vaccines and are not advising students or parents in relation to it. Trust schools recognise that students and parents will make their own decisions which will be accepted and respected. All students will be encouraged to be tolerant of each other's decision and any student that feels pressurised by anyone including their peers to make a decision against their judgement, should notify the school and if it is found to be the case the school will take appropriate action under the remit of its Behaviour Policy.

Thank you for your co-operation in this matter and I hope your child has made a successful start to the academic year.

Yours faithfully

A handwritten signature in black ink, appearing to be "I. Raikes".
