

TOPIC	During this half term students will be completing their summer series of GCSE examinations, and as such will be on a collapsed timetable.	
<b>2021 exam series paper preparation</b>	The department will put on a series of timetabled revision sessions for all year 11 students. These sessions normally take place on the day or morning before the geography paper is due to be sat, and area component part of a whole exam series paper preparation sessions laid on by each subject area school It is usual that on the morning of geography exam days a special assembly will be delivered going over exam tips /etc.	
	These sessions will be paper orientated, in relation to GCSE geography papers 1, 2 and 3.
